Miss Lisa Morpurgo
Via Lanzone 5
20123 Milano
Italy

Dear Miss Morpurgo:

Thankyou very much for your letter which
caught up with me just a few days ago.

I was interested in your comments; you
might be interested in reading Stonehenge
Decoded published by Doubleday in New York, U.S.A.
and also Beyond Stonehenge just published by
Harper and Row.

Sincerely yours,

Gerald S. Hawkins.
